Don't apologize—that's an important detail, and I appreciate your getting back to me so promptly! I noticed one thing on the registration from "Work Information" to "Affiliation" and Company to "Who are you representing."

Tony, Whitney and I spoke and here are our comments/answers to the items below:

1. (b) (5) - Deliberative process privilege
2. Looks fine
3. The speakers should be informed that they will receive a speaker number upon arriving.
4. We would like the attendees to bring a printout of their registration to assist us with check in.
5. The confirmation e-mail should include: security requirements, physical directions, and parking information (Whitney provided this in an e-mail to you a week or two ago).
6. (b) (5) - Deliberative process privilege
[REDACTED]

7. We don't think a drop down is needed, but we do like the drop down on the Eventbrite website to select a session.

(b) (5) - Deliberative process privilege

Also, please include our address.

Thank you,
Angelique

Dear Angelique and Whitney:

You had asked to see the registration website before we publish it. The contractor has provided the link below, as well as some questions. I have added Reid and my responses in red, but want your input before we reply to the contractor. I have some questions specifically for you in my responses.

Good morning Tony

SRA has started a draft of the registration site.

It is not live and list listed as a private site. (b) (6) - Personal privacy

In order to finalize, SRA will need answers to the following questions:

1. What is the max # of attendees? (Eventbrite requires this) Currently we have indicated 250 each session. (b) (5)

-
Delibe

2. Who should people contact, SRA or EPA? Who specifically. (If you look at the website there is a contract organizer button – we need to add contact information – it will automatically email the lead) EPA. Make it me: Anthony Nesky
nesky.tony@epa.gov
Tel: 202-343-9597
3. Are there any other instructions for those wanting to speak (e.g., do they need to provide a written statement)? See attached remarks.
4. Do the attendees need to print out and bring a ticket? (the site provides for this) ASK ANGELIQUE AND WHITNEY
5. What information/instructions do they want in the confirmation e-mail?
DIRECTIONS AS PROVIDED BY REGION 8

(b) (5) - Deliberative process privilege

6. When should the registration site close? Info needed to EPA 8 security 24 hours in advance.

(b) (5) - Deliberative process privilege

7. Do we want to include a drop-down list for them to select the time period they want to speak?

(b) (5) - Deliberative process privilege

We would also like you to review the information we added to the registration website – we copied that information from your website and it might now be what you want on the registration site.

(b) (5) - Deliberative process privilege

Feel free to call me if you have any questions.

Thanks
Mary
